

GOLDIE WHEAT

- A good friend and cousin to Kernel Wheat, they are very similar, but Goldie Wheat is much sweeter and lighter.

- One of her favorite things to do is to keep you healthy with all of her protein, fiber, vitamins, minerals, and antioxidants!

- Loves to hang out in breads, pastas, cereals, muffins, and cookies.

- Favorite place: Great Harvest Bread Company, because that's where all the best wheat goes!

Please help us decorate our bakery this month by dressing up our whole grain Goldie Wheat! Use crayons, colored pencils or pens, ribbons, noodles, buttons, or any other crafty materials you can think of.
